***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

\* The primary reason for allowance for claims 1-16 is the inclusion of the limitation of a printing apparatus, method of producing printing data, and a program for executing a printing data producing process comprising a data producing means for, based on image data, producing printing data corresponding to each of the printing elements under a predetermined condition through a color transformation process transforming the image data to the printing data, the printing elements differing in the sizes of dots to be formed. It is this limitation, alone or combined as claimed, that has been found, taught, or suggested by prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lamson D Nguyen whose telephone number is 571-272-2259. The examiner can normally be reached on 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stephen Meier can be reached on 571-272-2149. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
